STATE OF UTAH EMPLOYEE BENEFITS INCLUDE HOMEBUYING ASSISTANCE FOR YOU AND YOUR FAMILY.

As an employee of State of Utah, you expect traditional benefits such as paid time off and 401(k) plans. We think you deserve more, so we've partnered with CrossCountry Mortgage to take our benefits package a step further and make working here even more attractive. You are eligible for a non-traditional benefit that includes homebuying

assistance, homeowner education, and substantial mortgage savings—whether you are looking to refinance your current loan, purchase your first home or buy investment properties. We will also extend this benefit to your family members as well, because a perk is even better when you can share it with others!
